

## TRAVELLING FROM UNITED STATES TO SCOTLAND – MUST BE FULLY VACCINATED

|   |
|---|
| 1. Passenger Locator Form is required.  |
| 2. Mandatory COVID-19 testing on day 2 in Scotland for vaccinated travelers. (see below)  |
| 3. No proof of negative COVID test is required providing you have not been in a restricted country 14 days prior to arrival in Scotland. Please ask which countries are considered “restricted”, as this changes frequently depending on positive case numbers. |
| 4. No visitor visa is required to visit the United Kingdom for tourism purposes   |

### PASSENGER LOCATOR FORM IS REQUIRED

You MUST book your Mandatory COVID-19 testing prior to completing this form as you will need the receipt reference number to complete.

Travelers including residents are required to complete a public health passenger locator form online before departure to the UK. The form must be submitted a maximum of 48 hours before arrival in the UK. Travelers must show either a printed copy or an online copy of the form on their phone at the UK border.

It is a criminal offence to provide false or deliberately misleading information when filling out your passenger locator form. You could be fined, imprisoned or both if you do not provide accurate details about the countries you have visited in the 10 days before you arrived in the UK.

After you complete the form you will receive a QR code via email. You can print this out or show it on your phone as proof of completion.

### MANDATORY COVID-19 TESTING

All travelers must book and prepay for an Antigen Lateral Flow Device (LFD) test PRIOR to travel.

You should book this test at least 72 hours prior to departure from Canada.

The website is secure and will require you to pay the fee at the time of booking.

The testing company will mail the Antigen TEST kit to the address where you are going to be, whether it be a hotel or private residence. Once you have completed the form and paid for the test, they send out the kit to arrive when you arrive.

Here is the website: <https://quarantinehotelbookings.ctmportal.co.uk/>

Once the form is complete, they will email a confirmation number to the email used in the registration form.

The confirmation number is a 6-digit letter combo.

You have to wait at least 20 minutes for the 2nd email to come which is your receipt.

**The receipt has the reference number that you need to input into the passenger locator form.**

### MANDATORY PROOF OF VACCINATION

Travelers may prove they have received all doses of a vaccine using one of the below methods:

-Vaccination certificate issued by NHS;

-Vaccination certificates issued in EU countries or Switzerland with vaccines approved by the EMA;

-Vaccination certificates issued in the USA with vaccines approved by the FDA.

-Vaccination certificates issued from a relevant public health authority in Australia, Antigua, and Barbuda, Barbados, Bahrain, Brunei, Canada, Dominica, Israel, Japan, Kuwait, Malaysia, New Zealand, Qatar, Saudi Arabia, Singapore, South Korea, or Taiwan.

**Additionally, travelers from the USA must show proof of USA residencies, such as a USA passport, visa, or Green Card.**

Mixing between two-dose vaccines (Oxford/AstraZeneca, Pfizer BioNTech, Moderna) is also recognized.

Travelers who cannot present a vaccination certificate under this criteria must follow the testing and quarantine rules for unvaccinated travelers. Travelers are considered fully vaccinated if they have had the final dose of an approved vaccine at least 14 days before the arrival date in the UK.

#### **PUBLIC TRANSPORTATION**

Masks are mandatory on public transportation

#### **Mandatory vaccine certificate for some public venues**

Travelers are required to show proof of vaccination to enter late night venues and large events.
